Anne Toner Fung, CEO

Anne is no stranger to business. For over seventeen years she honed her entrepreneurial, financial, and leadership skills. As an entrepreneur she ran a successful industrial service company. In the finance sector she rose to become Associate Regional Director of a national financial services group. As a leader, she implemented a turn around strategy for an international print media firm. Together these experiences have fuelled Anne's passionate commitment to personal and business growth through effective, people-centred change.
